

There have been a great many people who have been exiled from their homes to the "land beyond the sea," but I have never known any one who has been exiled to a more beautiful and fertile land than the one I have just described. I have never known any one who has been exiled to a more beautiful and fertile land than the one I have just described. I have never known any one who has been exiled to a more beautiful and fertile land than the one I have just described.
